Weekend 536L lounge 5 person spa

Weekend 645L lounge 6 person spa

The Weekend 5 and 6 person spa range is specially optimised to provide class leading effective and comfortable massage at an affordable price and low running costs.

New spa control panels to make it easier to control all the functions in your Weekend Spa

- Large screen to display bathing temperature
- Fingertip touch pads for easy adjustment of features
- Equipped with the latest solid state panels and controllers with no moving parts means our Spas are super reliable dependable and easy to operate.

Using a Weekend Spa is fun for everyone, but our designers also take the therapeutic benefits very seriously too. That's why we've added some clever innovations to our massage jets:

- Neck and shoulders massage
- Back massage
- Calf massage

Weekend 536L lounge 5 person spa

The 536L offers a host of exciting innovations tailored especially for you. Calf massage jets in the lounge seats offer perfect relaxation and muscle stretch. You can enjoy complete body massage in your own home with family and friends. It also has ergonomically designed massage jets located on the lower sides of the seats that can help reduce the appearance of cellulite.
